

PUBLICATIONS

Submission of extended abstracts (Congress Proceedings) is OPTIONAL. If you want to submit your paper to a Conference Journal (with a peer review process), you should not send this extended abstract for Copyright reasons. You can send the paper to the Journal after the Congress. Otherwise, you must submit until April 30th the extended abstract using the template provided for the abstract. It must have a minimum of 4 and a maximum of 6 A4 pages. In this case, you must send the document to mns@sci-know.org.

CONFERENCE JOURNALS

The best MNs-19 papers will be published after evaluation in one of the different conference partner journals. Authors are obliged to submit previously your paper to the Conference Secretariat (before september 30th, 2019). **Organizing Committe considering the scope of each journal and the quality of the research will decide the journal where author should submit his paper.**
